From the desk of the Commander

Hello again, first I would like to apologize about the newsletter not being up to date. We have had some snafus. I think that we are going to find from now on. As you have noticed, we have a new web page with more things on it. I hope that everyone likes it. If you have any ideas for the web page let us know.

We have some neat things going on these next couple of months. Check out the calendar and come in have some fun.

The Post and the Ladies Auxiliary will donate a case of hot dogs and the condiments for the POW/MIA celebration at the Mana House Veterans Transitional Living Facility on Sept. 17th.

When the weather gets a little cooler we will put the protective coating on the flag on the front of the building so it stays looking goooooood!

We still need some volunteers for things going on at the Post, such as the weekly cleanup, taking out trash, grounds maintenance and landscaping. This is our Home, let's take pride in it. Step up and help with anything that you can do. Every little bit helps.

We are looking for someone that would like to help with the newsletter. If you are good with a computer and would like to help, please send an email to Commander@vfwpost1433.org. We sure would appreciate you help.

October 15th the Cooties will be sponsoring some of the patients from the State Veterans Home for a BBQ. They will arrive at about 11:30. Please come and welcome them to the Post and let them know that we appreciate all they did for this great country.

Till next time, fair winds and following seas. God bless our Military, Past, Present and Future.

Yours in Comradeship
Ken Myers
Commander

From the Desk of the Ladies Auxiliary President

Well it's been a while since I last gave an update on the auxiliary. I say our auxiliary this year is in rare form. We have and are accomplishing so much within 3 months. September is already here and we are starting the month just under 80% in membership. Please if you have not done so please renew your membership. We want to be at 100% by December 31st. We can do this very easy.

This year we have a very special goal to meet. National Ladies Auxiliary has increased the Cancer Aide per member amount. The Auxiliary will be doing auctions and fund raising for this very special program. The Auxiliary holds our fund raising dinner every 3rd Friday @ 6pm. September's main course is Brisket of Beef with all of the trimmings. Please come out and see what the ladies have up their sleeves.

September also serves as Military Suicide Awareness Month. Suicide amongst our veterans is at an alarming rate. To raise awareness the Ladies Auxiliary nationwide will be offering blue teardrops. They may be in the form

of a sticker, pin or necklace.

Checkout the website www.ladiesauxvfw.org to learn more. Our auxiliary will have teardrop pins available at our next meeting for \$3.

I would like to thank all our ladies who made the luncheon for Auxiliary #285, special. Your hard work and dedication did not go unnoticed. I would also like to thank the Rough Riders and Jim Alsvig, for their generous donation at our August dinner.

And finally ladies let's attend the meetings. We have a lot of events and support to give our veterans. We can't do it without you. Your support is greatly appreciated. The meetings are every 2nd Tuesday of every month at 6pm.

I hope to see you there.
Loyalty,
Sheila Lee

From the Desk of Seam Squirrel

Listen up Cooties:

First off, I would like to thank all who have helped me with the transition to position of Seam Squirrel. Without the help of all of you, I would not have been able to achieve this. I will name a few, however, I can't remember everybody. ALL of you Cooties of Pup Tent 14 have been there for me. To name a few, Mel Blood, Ed Egan, Manny Blea, Rocky Blea, Tom K., Gary Stucker, "Skip" Sims, Post Commander Ken Myers, Susie and LJ of the Canteen staff have been a huge help. Thank you to ALL! I could go on for days. If I have forgotten anyone, I apologize and you can meet me at the post for reprimand. I will stand tall and take my "dirty lickins".

Cooties, we have so much going on between now and February of 2012. It will be crazy, but fun.

September 10th, we have the Steak Fry in Prescott. Pup Tent 11 is hosting this year however, I would like for as many as possible to be there to support them. October 15th, we have the patients from Arizona State Veterans

Home coming to the post to visit and have a BBQ. This is a huge event and will require "all hands" to make this happen. Those of you involved (all entities) have been contacted by me. This is a really cool thing and you will end your day with a good feeling in your hearts.

I will close now and will write more later. We have "stuff" lined up. Busy, busy, busy!!

Until next time, may God Bless each of you and your families.

"Keep 'em smiling" in Beds of White!
