## From the desk of the Commander

Hello again Comrades, here we are in November. The year has gone by fast. The last couple of months have been busy. I would like to thank everyone that helped. We can't do the things we do without your help. So thank you very much. A very special Thank You, to the Ladies Auxiliary. As normal they come through on all the events we do here. The men in this Post should do as well.

The next couple of months will really be busy. We have Veterans Day Nov. 11th. We have Thanksgiving dinner at the Post, which is open to everyone in the community. We have the Kids Christmas party, Christmas at the Post. We need food donations for the members that have no

place to go. There will be a signup sheet on the board for donations for Thanksgiving and Christmas dinners.

New Year's Eve Party tickets should be on sale by Nov. 21st. Ticket price is \$20.00 per person. The menu is Prime rib, potatoes, veggies, salad, rolls and dessert. Party favors and Champagne toast at midnight. So buy your ticket soon and come enjoy a great night out.

We have lots to do. There are things to do at the Post to make it better. If everyone would pick something that they are good at and help, this Post will be great. So come and lend a hand. We all know if we work together things get done and we have a good time. This is your Post.

Yours in Comradeship

Ken Myers  
Commander

## From the Desk of the Ladies Auxiliary President

I personally want to thank my fellow sisters for an outstanding job in putting on the District 3 meeting and luncheon on July 23, 2011.

Friday, July 22nd the A/C wasn't working and yet in the kitchen preparing food were: President Sheila Lee, Rocky Blea, Royanne Fuller and Mary Lisby.

I was sweating in the main hall with sweeping & spot cleaning the floor, the fans in the kitchen & main hall did help a little with room temperature above 100 degrees, add the heat from the stove & oven, I got very concerned for those ladies health.

The Friday night shift was to include District 3 LAUX President Sue Dorn, Sheila, Rocky, Royanne, Lisa Cruz & her daughter Felicia. They helped me

move tables per Department floor plans for the installation of the new Ladies Auxiliary of Post 285.

We decorated tables, filled candy cups, rolled napkins with plastic ware and before we knew it, the clock struck midnight & yet nothing turned back into pumpkins.

Saturday morning team had Dee DeBong setting up the canteen for the District 3 LAUX meeting, Post Commander Ken Myers had the coffee brewing & brought in donuts and we went through a lot of coffee cups.

All my ladies had the signal that at 11:30 AM we will meet in the kitchen to remove items from the oven and prepare the carts for getting the food on the serving table as soon as the men's meeting was done.

The ladies meeting was over about 12:15 PM and we were like vultures waiting to run into the main hall & set up lunch for all the hungry Comrades

and the ladies. My servers on Saturday were Sheila, Rocky, Dutchess Yates, Patti Mangano, Royanne what a fabulous organized job of setting up the table & getting the congo line done so quickly.

Diane Stone and Sandy Camoratto were in charge of collecting the monies & passing out the plates & plastic ware.

My job was the easiest I made sure the deviled eggs tray stayed full & replaced empty dishes of food with full dishes, big woo! While Royanne & I cleaned off tables in the main hall, the team of Sheila, Rocky, Lisa, Diane, Patti, Dutchess and Sandy put food away, washed dishes & cleaned up the kitchen.

To all my sisters who brought in food & the Men's Auxiliary for donating what Lasagna you had leftover from

your Friday night dinner, Thank You very much, we have received a lot of compliments on the whole event.

If I forgot anyone my sincerest apologies, it was very hectic for my first rodeo. Again THANK YOU for all your HARD WORK !

Listen up Cooties:

Cooties, we have been very busy the past few months. All of you have done a terrific job and your support has been never-ending and is very much appreciated.

The September Steak Fry in Prescott was great. Again, Pup Tent 14 had the most presence as we had 10 Cooties, 5 Cuties and VFW Riders. Thanks to all so much for upholding the Pup Tent tradition.

The State Home visit was a huge success. Not as many patients as last time however, the ones that were here had a terrific time and were treated with the utmost honors. A very special thanks to all the riders who escorted them from the State Home to the post. That was something so cool to see. A special thanks to the Sea Cadets who greeted the veterans with honors and helped in all aspects of the event. They were awesome. (Okay, they were downright cute!!!) Thank you to all entities for pitching in and making this happen. The ladies put out a great spread once again. I would like to see this turn into an annual thing. Thank you, thank you, thank you!!!

On the 19th of November, we will host a "Burn Your Own Steak" night. This will be a test, as, to the best of my knowledge, we have never done one. If all goes well, we will look at doing more of them. We will need help from all

who can. Watch post bulletin board for more info as it becomes available.

Veterans Day is coming up on us. For those who have never attended the ceremony at the Memorial on 59th and Brown, this is a really neat thing to see and I encourage all who can, to attend.

Yes, here come the holidays again. Watch for details in the post for festivities that will occur during that time. Have not heard much as of this writing.

To the men and women of Pup Tent 14, VFW Post 1433, the VFW Riders, I wish all of you a very safe and happy Holiday Season. Let's all work together to achieve a successful upcoming New Year.

May God Bless each of you and your families. Until next time, yours in L.O.T.C.S.
