From the desk of the Commander

Well another Year has passed. Where does the time go? It seems like just yesterday, I should say a few months ago that we were celebrating 2011. I hope everyone had a Great and Joyous Christmas with family and friends.

Well it is 2012 now and I have to train my hand to write the New Year, 2012 on everything. I hope I don't void too many checks or put the wrong date on documents. We've all been there!!!

I regret to inform you that we lost 2 Life members of the Post. Harold T. Zebolsky passed away on the 2nd of December 2011 and LeRoy McDaniel passed away on the 22nd of December 2011. They will be missed.

I would like to thank, those of you that help out around the post. From the VFW side, the Ladies Auxiliary who always does a super job, the Men's Auxiliary, the VFW Riders and our great Canteen Staff. Without your dedication and perseverance we would not have the great dinners, dances and parties we have throughout the year. I won't name names because as you all know I would forget

someone and that would not right. You all know who you are and so do other people. **I Thank You, for all your hard work and dedication.** The other people need to get off the chair and help a little. If we all did something, it would not be hard work for anyone. Let's have a better 2012 and have more FUN here.

We have some good ideas for this next year. We have some fun things in mind. If anyone has ideas for different events or activities, write it down and come to an entertainment meeting the first Monday of each month at 6pm. and present it. No idea is dumb; in fact sometimes it's the crazy sounding things that we have the most fun with. So don't be afraid to bring something up.

We are always in need of volunteers to help around the Post. If we all do a little, we can get a bunch done. Pick something you are good at and lend a helping hand. Together, we can make this the best Post in the State. This is your Post.

Once again I want to thank all of you that donate your time, money and hard work to make this Post what it is. **THANK YOU.**

Yours in Comradeship

Ken Myers
Commander

From the Desk of the Ladies Auxiliary President

Well another year is coming to an end. And with that being said, let me say THANK YOU!!! Thank you, for all of the hard work the Ladies Auxiliary of Post #1433, has done. Thank you for your continued dedication and commitment to the auxiliary and what we stand for.

Our auxiliary took first place in the Patriots Pen Awards for district 3. Madison Fagerlie, an 8th grader from Northwest Christian School, will be attending the Department VOD/PP, banquet in Casa Grande. The banquet will be held on Saturday, January 14, 2011. My thanks goes to our PP judg-

es Royanne, Stacy and Debbie LaLa. The first meeting for the auxiliary of the new year will be Sunday, January 22, 2012, @ 10 am. This meeting will be detailed due to us planning our events for the next 6 months to a year. If you are an officers/chairman please plan on being at the meeting. If you are on a committee I will set a time for us to meet at a later time. If you know of a member that does not have access to an email please spread the word.

Our annual Mardi Gras, celebration will be held Friday, February 17, 2012. Let's start thinking of who you want to be our next Mardi Gras King and Queen of Post #1433. And on a sad note our hearts and prayers go out to the Leroy McDaniel family. Goofy will be missed!

Please keep in mind that our regularly scheduled meetings are the Third (3) Saturdays of the month.

Thank you again,

Sheila Lee

From the desk of the Sr. Vice Cmdr.

Not a whole lot to report.

We have a karaoke planned for 30 Dec. with Gonzales family providing the entertainment and the meal will be provided by the Blea and Gonzales family, with the proceeds to the general fund.

News Years Eve Party is on schedule with three high school boys to do help with the meal and the dishes. We will pass a donation jar around for the boys to split among themselves as they have agreed to do so with out pay. The boys will be spending new years eve at Manny and Rockys after the dinner is over and clean up complete.

Not much new to report for the New Year other than what is normally scheduled each month.

Grand Commanders home coming is on track. All meals are taken care of and we have made sure not to overbook for the event.

Hope everyone has a great and joyous holiday season and we look forward to a better next year.

Yours in comradeship

Listen Up Cooties:

It has been an insanely crazy year. We have accomplished much in very little time. Don't know what I wrote last, however, it has been busy.

The Steak Fry went off very nicely with only one negative comment about the meal. Based on whom it came from, I have not lost sleep over it. The food was awesome (yes, I ate), the entertainment was fabulous and a great night was had by all. My hat is off to Skip for all the hard work and donations he put forth into this event. This was all Skip. Good job "ship-mate". Also a special thanks to the ladies who provided side dishes and helped with anything that needed to be done. To all the cooks, thank you for a job well done. Mel and his clan for doing the clean up. The worst part of the job is the clean-up. Men's auxiliary took care of it. Thank you so much guys. We will plan another one after the holidays.

We have several things coming up soon. We have Homecoming for Commander Muller and President Siepel. This will be on the 21st of January 2012. Joint meeting at the hotel in the am and banquet dinner at the post in the evening. I will elaborate at the next scratch. Following Homecoming, we have the steak fry in Tucson which I believe will be 12 February 2012 and in March, ELECTIONS!!!!!!

It is with deep sorrow that I inform all of you, that already don't know, we have lost two Cooties in as many months. Mr. Donald Feinstein just before Veterans Day. Don was

a Lifetime member of our Pup Tent and a resident at the State Veterans Home. A special thank you to "Sky Pilot" who donated a bible that he and I presented to his widow, Chin. She has since moved to San Francisco to be with family. We will miss them both terribly. Also, we lost LeRoy McDaniel on the 22nd of December 2011. LeRoy will be truly missed by all who loved him. A memorial service for him at the post is pending, as we speak.

Christmas visit to the home was awesome. I thank all of you for the gifts you gave to our heroes. There was a whole room stacked with gifts for them. I think they probably had a great Christmas. A very special thank you goes out to Chris and Becky Schreiber, who donated so much to the Christmas visit, as they do each year. Ladies, we cant thank you enough.

Happy Holidays to each and every one of you. Be safe, be cheerful and have a great New Year. Until we speak again, thanks to all who made this year such a huge success for all of us and our veterans.
