March and April 2004

Comments from your Post Commander:

The cool weather is almost behind us and our Snow-birds will be leaving us once again, and the end of another year for our Post is coming to an end, but we are still moving along to make our Post the Best in the State. Just look at the many improvements of our Post in the last year, and that is because of you, the members who voted to do the improvement. We are not stopping at that, we voted to paint the whole inside of our building, put in an ADT System to make your Post a safe place to be at. We are moving along with the improvements that we have done that last 3 years show and you the members who voted for them should be proud of that. We must keep moving forward until we finish what we have started. Remember, you the members set the stage for our Post, by voting at the meeting and making sure it gets done and I have said before I am Proud to have been your Post Commander for the last 3 years and I will work for you the members till my time is up.

It's not every day that a National-Commander-in-Chief visits a VFW Post. It's been over 10 years since one visited Sandy Coor VFW Post 1433 and that should tell you the membership something. The Commander-in-Chief said we have a real nice Post and how lucky we are to have what we do. Thank you to all the members who came down to meet the Commander-in-Chief.

We still have a lot more to do before this year is over. We have the Awards Banquet on March 6, 2004 and we will have many Guests at our Post. It will show what we are all about through our VFW and Auxiliary Programs and the many things we have done in our Communities and working with our schools, this year. Once again this is because of the members and the Post we are so lucky to have. I hope many of our Members attend this Awards Steak Fry Banquet, there will be music after by New York Joe to dance to if you stay.

At our March Meeting we will have nominations for new officers for the 2004-2005 year. At our April 2004 Meeting we will continue with nominations and have elec-

tions for the officers for the 2004-2005 year.

On April 14, I was asked to attend the grand Opening of the new Super Wal-Marts on Northern and they are going to present our Post with a check for \$1,000.00 for our VFW Programs. I just hope many of our members attend this presentation.

Remember in May, we have Memorial Day Program at Rest Haven Cemetery and we have to put over 4,000 American Flags on our Veterans Graves and that will take many Volunteers to get it done. We also will be having a Buddy Poppy Drive too, but it takes Volunteers to go with our Poppies.

Our Bingo is doing real well, with the Post and Auxiliary members who volunteer every Tuesday, Friday and Sunday sessions, but we sure can use more Volunteers to help with Bingo. As I have said before as your Post Commander, if it wasn't for Bingo we would not have what we have today.

In closing I would like to say Thank you, Thank you, Thank you to the members who volunteer their time in our Post for the last 2 months, in many areas at our Post and hope you will continue to keep it up. As your Post Commander I enjoy working by your side and know it could not be done without your help and support.

Yours in Comradeship,
Vincent "Crash" Rigo

Thanks

P.S. We all know the family who donated the land to us, that our Post is on. (The Coor Family). Well, Larry Coor is running for Congress in 2004, for the 2nd District of Arizona. He is asking for your support. Please check out his qualifications in the Newsletter. Thank you.

From Your Senior Vice Commander

Greetings:

Just want to let you know if you haven't noticed some of the changes we have made in the Post. The cleanliness of the Post floors, restrooms, etc. The post interior walls will be painted in Canteen, Markey Room, Bingo Hall, and Kitchen the end of February.

A new burglar alarm system is being put in. All new video surveillance for parking lots, both front and rear new plumbing in bar and Kitchen. Mats for kitchen and behind bar, etc.

We need to have our members participation for Auxiliary functions. Steak fry's, etc. It is improving each and every month, but I would like to see more.

Yours in Comradeship,

Pat Carter

Quartermasters Report

Greetings Comrades and Sisters:

Here it is February already, where has the time gone? We still have about 50 or 60 of you who are still not signed up for the year 2004. Any of you who receive this letter and know someone who has not paid his dues, please remind him because he is missing out on a lot of good things that are happening at the Post. Construction will be getting started very soon. The elections are coming up in March and April for the new officers of the Post and my tenure as your Quartermaster will end on June 30. Also my tenure as Bingo coordinator will cease at that time too. I will be only glad to help the person who takes this job. It is very important because once a month this report goes to the Internal Revenue Dept., Bingo Division with a check for what we made on each month. This report must be in by the 20th of the following month. Otherwise a fine is put on the Post. It has been a pleasure for me to serve under the command of Vinny Rigo. Thank you Commander for putting up with me. I think we made a great team. Thank you all, and thanks to the gals who helped me also, you all are one-in-a-million. I know that I will have one newsletter to write but I thought I would get my thank you's out of the way. Well, enough said, God Bless You and Yours, and God Bless America, and the guys and gals defending our shores now.

Yours in Comradeship,

John (Jack) Fair

Quartermaster

Post Service Officer

Greetings.

Well, it's been a busy two months! Here's an update on what's going on. I've hooked up with Arizona State Braille and talking book library and set myself up as a sort of branch Library. They sent me one tape player and I have four talking books back in the office. I also have access to 70,000 titles plus current magazines. **The cost to join is ZERO DOLLARS!** I have all the catalogs in the office for anyone who's interested. If you or someone you know is visually impaired or unable to hold a book up to read it, come on in and see your Service Officer/Librarian.

I've been in contact with Catholic Social Service and worked out a deal that will enhance the effectiveness of both our great organizations. In exchange for me being a resource for them in their efforts to get help to vets who come their way, I can use them as a resource in getting food/shelter to Vets who come to the VFW in dire need.

Bottom line; more Vets get more help faster, everybody wins.

I encourage each of you to feel free to contact me about any questions you may have regarding benefits, entitlements or assistance by calling (623) 934-2152 or by dropping by Sandy Coor VFW Post 1433 at 7618 N. 63rd Avenue, Glendale, Arizona.

My office hours are 10 a.m. to 1 p.m., Monday, Wednesday and Thursday. I am on call to serve you 24/7.

Yours in Comradeship,

Joe Bell

Service Officer - Sandy Coor VFW Post 1433

Bingo Coordinators Report

Greetings Comrades and Sisters,

We still need help at the Bingos. Especially Tuesday and Friday. We have lost Tom Viviano due to sickness. He will not be coming back. So we have only about five people helping out on these days and to keep the Bingo running efficiently we need a few more people to work these days. So come on out and help. This is the life blood of the post. This is how we pay our bills so if you want the post to stay, well please come on down and give us a hand. I would like to welcome Steve Gwyn, Mark

Swan and Joe Bell to the ranks. Thank you guys. By the way I am showing Joe how to operate our new register and do that paperwork which is very important. Also my thanks to the Commander, his wife Barbara, Annette and Maureen and Jerry Pujat for doing a great job and of course, John Chaffee our little man who is there every Bingo day around six thirty to set up

**PLEASE
VOLUNTEER**

the Bingo. Thank you one and all. I would be remiss if I didn't mention Don Higgins who comes in once a month to help out. Well if I forgot anybody please forgive me. Well, I guess that is all for now. Take care, God Bless You and yours and God Bless the USA.

DoD Announces Korean Defense Service Medal

Navy News Service—February 9, 2004

The Defense Department announced February 9, the creation of the Korean Defense Service Medal (KDSM). The KDSM is a service medal to give special recognition for the sacrifices and contributions made by members of the U.S. Armed Forces who have served or are serving in the Republic of Korea.

Public Law 107-314 legislated the creation of a new medal to recognize military service in the Republic of Korea and the surrounding waters.

Members of the armed forces authorized the KDSM must have served in support of the defense of the Republic of Korea. The area of eligibility encompasses all land area of the Republic of Korea, and the contiguous water out to 12 nautical miles, and all air spaces above the land and water areas.

The KDSM period of eligibility is July 28, 1954 to a future date to be determined by the Secretary of Defense.

Service members must have been assigned, attached, or mobilized to units operating in the area of eligibility and have been physically deployed in the area of eligibility for 30 consecutive or 60 non-consecutive days or meet one of the following criteria:

- Be engaged in actual combat during an armed engagement, regardless of time in the area of eligibility.
- Wounded or injured in the line of duty and require medical evacuation from the area of eligibility.
- While participating as a regularly assigned air crew member flying sorties into, out of, within, or over the area of eligibility in support of military operations. Each day that one or more sorties are flown in accordance with these criteria shall count as one day toward the 30 or 60-day requirement.
- Personnel who serve in operations and exercises conducted in the area of eligibility are considered eligible for the award as long as the basic time criteria is met. Due to the extensive time period for KDSM eligibility, the non-consecutive service period for eligibility remains cumulative throughout the entire period.

The KDSM may be awarded posthumously, and only one

award of the KDSM is authorized for any individual.

Each military department will prescribe appropriate regulations for administrative processing, awarding and wearing of the KDSM and ribbon for their service members, to include application procedures for veterans, retirees and next of kin.

More than 40,000 members of the U.S. Armed Forces have served in the Republic of Korea or the waters adjacent thereto each year since the signing of the cease-fire agreement in July 1953, which established the Demilitarized Zone. For more than 50 years, U.S. Armed Forces' efforts to deter and defend the Korean peninsula have helped maintain democracy and preserve the indomitable spirit of freedom.

Letters

Quoting a letter from Geno Piccoli, CMSgt, USAF (Retired), Chairperson, Friends of Military Families, dated February 6, 2004;

Dear Vinny,

It is again, with sincere appreciation, that I accept the donation of stuffed animals and toys received from you yesterday. These items will be used to provide support for military families that cannot be provided through appropriate funding. They will be presented to our young Airmen families as part of our Airmen's Attic Program here at Luke. The Airmen's Attic Program offers these families the opportunity to obtain new and used items, from clothing to furniture as well as other items, at no charge. The items are a welcome addition to their household and improved quality of life. I can assure you that your donations will make many of these families very happy.

This donation is a testament to the generosity and patriotism of the many people and organizations such as yours, who make this possible. Again, my thanks on behalf of the Friends of Military Families Board of Directors, the Family Support Center, and the many service members and families who will directly benefit from your kindness.

Sincerely,

Geno Piccoli, CMSgt, USAF (ret)

Chairperson, Friends of Military Families

Quoting a letter from Vicki Anderson, from Girl Scouts, Mississippi Valley;

Dr. Mr. Rigo,

Thank you very much for the generous contribution of an Arizona State Flag. Your donation will be used at the Rock Island National Cemetery to honor Veterans of all wars from all fifty states, the District of Columbia and the four U.S. Territories.

May God Bless you and continue to bless this great Nation.

Quoting a letter from Daniel Robinson;

Dear VFW Members:

I would like to thank you very much for donating the \$200 to help me pay for my trip to Washington D.C. for the National

youth Leadership Form on Defense, Intelligence, and Diplomacy held on February 3-8, 2004. I had a very good time, and I learned a lot about how government works, career options, and educational opportunities. Here is a brief overview on what your contribution allowed me see and do.

On Wednesday, we listened to a speech by Col. H.C. "Barney" Barnum, a Vietnam veteran and Medal of Honor recipient. We also got a chance to visit Capital Hill for most of the day and see where our government makes important decisions. On Thursday I got the opportunity to visit the US Naval Academy in Annapolis. Eating lunch with 4,000 midshipmen was quite the experience. Touring the Academy was even better. On Friday we got a chance to visit the National War College for a lesson on what our roles were for a simulation we ran that night on our foreign policy in the Panama/Colombia region. I was lucky enough to be the Senate Majority Leader, probably the 2nd most important position in the simulation. Saturday was a fun filled day with a visit to the Smithsonian Museums, as well as the Lincoln, Jefferson, Vietnam, Korean, and Iwo Jima Memorials.

Once again, I'd like to express my appreciation for your donation to help me attend the Forum.

Dear Mr. Rigo,

Just wanted to send you a note of thanks for support via Operation Uplink. I and my fellow soldiers within the unit have used these cards to call home on many an occasion. The gift is most appreciated and was timely too. It's not often easy to call from locations such as ours and your gift made it easier.

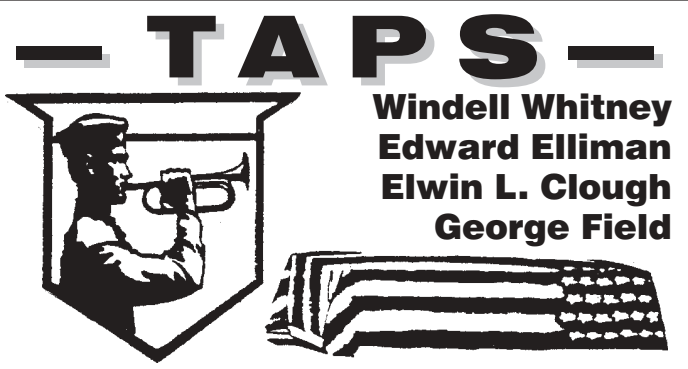

I wanted to let you also know that I have discovered another program offered by the VFW. I had not heard of it before. Basically, it provides free reading material to soldiers forward deployed. I have just finished a book by Christopher Buckley. The title is "Wry Martinis." It encompassed a series of articles by the author on a variety of topics. They had a wry sense of humor but were most enjoyable and at the same time relaxing. I inform you of this because the footnote of the book stated a partial VFW sponsorship. As I didn't know who to thank, I thought I would just thank you and the post for that sponsorship too. I'm looking forward to coming home in April or May
